Hector DeBusscher, 2819 Fifth Avenue, is charged with selling beer in his place on Sunday.

FIVE OTHERS TAKEN IN A RAID

Officers Kinney and McCarthy make arrest yesterday morning—keeper of house fined.

Determined to enforce the Sunday closing laws in Rock Island, the police yesterday morning swooped down upon the saloons of Hector DeBusscher, 2819 Fifth avenue, and arrested the proprietor and five other men found drinking there. DeBusscher plead guilty to the charge and was fined \$25 and costs this morning by Magistrate Smith.

The five men arrested, John Collins, John Johnson, Albert Davidson, Ben Rybauchow and Gust Verhoeve were fined \$2 and costs on disorderly charges. Officers Kinney and McCarthy made the arrests. The police raided the same saloon two weeks ago, having secured information to the effect that DeBusscher was violating the Sunday law, but found no one at the place, the patrons having been "tipped off."

Woman is Fined.

Detective Cox last night arrested Clara McDonald in a resort at 2203 Fourth avenue. No other inmates were found in the place. She was charged with being the keeper of a house of ill fame and was fined \$25 and costs this morning.

Andy Van Courtland of Malone arrested Saturday night by Officer Collins and John Swanson of Muscatine arrested last night by Officer Kinney, were each fined \$2 and costs this morning on charges of being drunk and disorderly.

ROCK ISLANDER HELD ON ROBBERY CHARGE

Charged with robbery by a Davenport man, John McLaughlin, 1912 Second Avenue, trustee for the Rock Island Lines, was arrested last night by Officer Kinney. He was arraigned this morning before Magistrate Smith and plead not guilty. His case was continued until June 28 and he is being held at the county jail under \$500 bail. His Davenport man claimed that McLaughlin took some valuables from him several weeks ago in a downtown saloon.

McLaughlin has been in court on numerous occasions before on minor charges.

A Boston waiter is now under arrest in Portland, Ore., charged with stealing \$23,317 from the hotel restauranteur for whom he worked.

ALEDO.

Mrs. Harry C. Wiggin passed away at her home a few miles north of Aleo June 15, aged almost 35 years. Myrtle Hyatt, daughter of Mr. and Mrs. George Hyatt, was born at Preston, June 16, 1898. When she was a year old the family moved to a farm north of this city, where the today grew to a lovely woman, the pride of her parents and beloved by all who knew her. On Jan. 23, 1914, she was united in marriage with Harry C. Wiggin at the Methodist parsonage in this city by Rev. J. B. Bartle. The new home was made on a farm nine miles north of Aleo where on Monday, June 14, a baby daughter was born to them. At the close of the following day the life and light of the home went out in the death of the wife and mother. During the Sunday revival meetings held here she with other members of the family united with the Methodist church of this city, of which she was a member at the time of her death. She is survived by her husband and infant daughter, her parents, Mr. and Mrs. George Hyatt, one brother, Lewis O., and two sisters,

"MAKING GOOD" MAKES FRIENDS.

There is no way of making lasting friends like "making good." After more than four decades of popularity friends here in Illinois are numbered by the thousands.

Aurora, Ill.—Having had the "Common Sense Medical Adviser" in my home for years I am in a position to know about Dr. Pierce's remedies. I used "Golden Medical Discovery" when under a doctor's care in Berwick, Warren County, Ill. My doctor suggested using it and I found it was the best medicine. Two or four bottles improved my general health and I was made much better and stronger. It did not disappoint me in any way.

Mrs. Mary C. Hill, 139 Benton St., Aurora, Ill.

Freopro, Ill.—My husband took Dr. Pierce's Golden Medical Discovery some years ago for a general run-down condition from inside work. He took two bottles of the medicine and was then in fine condition and had been perfectly well ever since.

"I have recommended it to many friends and will again recommend it,"—Mrs. W. A. Strickland, 26 Crocker St., Freeport, Ill.

There is not a drop of alcohol or any narcotic in Dr. Pierce's Golden Medical Discovery, but in this safe, vegetable remedy and tonic there is a mighty alternative power which by replacing the blood impurities with pure, rich blood, not only cures cataleptic conditions wherever located, but vitalizes the kidneys, stomach, liver, lungs and every organ of the body.

All dealers in medical stores supply Dr. Pierce's Golden Medical Discovery, or send 50 cents in postage stamps to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for trial box of tablets.

A Colorado man, recently sentenced to prison for stealing \$100 from a mining company at Cripple Creek, Col., is said to be the same who first filed on properties there which have since yielded \$20,000,000 to those who obtained ultimate possession.

Any person desiring a copy of The People's Common Sense Medical Adviser, the edition just issued, may send this notice, together with three dollars or stamps, to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and a copy will be sent by return mail, all charges prepaid.

Toeing the Line Under Difficulty.

A line of ragged little boys was ranged down the center of the school for exercise.

"Toe the line!" ordered the master.

A shuffling indicated obedience. The master inspected the line approvingly until his eye rested on an urchin so far behind the others as to be almost out of sight.

"Price," he shouted, "why don't you toe the line?"

"Pleath, thir, I am toein' it," lisped the boy, "but I got dadth booth on,"—London Telegraph.

CANADA FACTORY PARTLY WRECKED

Plan of Concern Just Finishing Order of British Uniforms Dynamited—Germans Blamed.

Windsor, Ont., June 21.—The overall factory of the Peabody company, limited, located in Walkerville, a suburb of Windsor, was partially wrecked by the explosion of a bomb early today. The company is said to have just completed an order of 115,000 British uniforms.

Shortly after the explosion in the overall factory 27 sticks of dynamite were found under the rear of the Windsor armory. The dynamite had been attached to a time fuse which had been set for 3:15 a. m., but the fuse had burned out. It is said that 200 men slept in the armory last night and had the dynamite exploded the whole building would have been wrecked.

Horace B. Penbody, head of the overall company, expressed the belief that the bomb had been placed "by German sympathizers from Detroit." Police and military authorities are working together on the case. The property damage was estimated at between \$5,000 and \$10,000.

Search was made for two men and a woman who were seen with a suit case in the vicinity of the armory late Sunday night. When the attempt to destroy the armory was discovered 26 sticks of dynamite were found in a suit case beneath a wall in the rear of the building.

The fuse caps attached to the dynamite had exploded, blowing off the top of the suit case and that the main charge did not explode is considered marvelous.

A young man living in Detroit was taken into custody but released after an investigation.

The overall company has just begun work on a large consignment of shirts

for British soldiers, after completing the order for uniforms.

Very Considerate.

A marriage advertisement is published in a Zurich paper by a "rich Swiss philosopher" who wants a wife who must fulfill the following conditions: She must be beautiful in body, face and mind and possess beautiful teeth and hair of her own and not bought articles. Besides German, she must have a knowledge of English, be a musician and have an irreproachable reputation. "Other faults," the philosopher of 40 years states, "will be overlooked."
